EXAMINER'S AMENDMENT

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/2/10 has been entered.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given via telephone by Amy Schmid on 9/10/2010.

The application has been amended as follows:

Cancel claims 8, 9, and 10 without prejudice.

3. The following is an examiner's statement of reasons for allowance:
Applicant amended the claims to avoid the Goeschke prior art, therefore the 102(b) rejection is withdrawn. In addition, applicant narrowed the scope of the claims and provided at 132 declaration of Robert Mah. The 132 declaration was fully considered and included exhibit A to support the enablement of the claims. The examiner now finds applicant's argument as to the enablement of the claims persuasive and the 112

rejection is withdrawn. The obviousness-type double patenting rejection is withdrawn in this application and any necessary rejection of this type will be made in the still pending other application.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ROBERT HAVLIN whose telephone number is (571)272-9066. The examiner can normally be reached on Mon. - Fri., 7:30am-5pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joe McKane can be reached on (571) 272-0699. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
